

Investor webinar – 11am AEDT Tuesday 4 February 2025

Bio-Gene Technology Limited (ASX:BGT, Bio-Gene or the Company), an Australian company developing new insecticides derived from nature to achieve high impact worldwide, is pleased to announce that it will hold a Market Update investor webinar, discussing recent news of US Department of Defense grants, the Appendix 4C quarterly and the Company's plans for 2025.

Managing Director and CEO Tim Grogan will present and take questions during the webinar, to be held at 11am AEDT, Tuesday 4 February 2025.

Shareholders, investors and interested parties are encouraged to register to attend the presentation at the following link:

https://us02web.zoom.us/webinar/register/WN_mb7sEPyGQV2WTW7ygd6jVw

After registering, you will receive a confirmation email containing information about joining the webinar as well as dial-in details for those wish to join by phone.

Questions can be submitted live during the webinar or sent in advance to matt@nwrcommunications.com.au.

Please note a replay of the webinar will be available at the above-mentioned link shortly following the conclusion of the live session.

Approved for release by the Board of Directors.

About Bio-Gene Technology Limited

Bio-Gene is an Australian company developing novel bio-insecticides to address the global challenges of insecticide resistance and toxicity. Its unique products are based on a naturally occurring class of compounds proven to overcome resistance to control pests with minimal impact on human health and the environment.

Bio-Gene's products have multiple applications across public health, crop protection, grain storage, and consumer use. They provide new options derived from nature to meet market demand for effective and safe pest management solutions.

Flavocide® and Qcide® are registered trademarks of Bio-Gene Technology Limited in Australia.
