## ENECO REFRESH LIMITED – HALF YEAR REPORT

### DIRECTORS' REPORT

The directors present their report, together with the financial statements, on the consolidated entity (referred to hereafter as the 'consolidated entity' or 'Group') consisting of Eneco Refresh Limited (referred to hereafter as the 'company' or 'parent entity') and the entities it controlled at the end of, or during, the half-year ended 31 December 2024.

In accordance with ASIC Corporations (Rounding in Financial/Director's Reports) Instrument 2016/191, the amounts in the directors' report and in the financial report have been rounded to the nearest dollar.

The Directors of Eneco Refresh are pleased to see that the focus within the business in the last year is starting to reflect in the improved results. The attention on operational efficiency, gross margins and growth has delivered an 8% year on year revenue growth against a tough economic landscape and we have achieved a significant 98% reduction in our loss from continuing operations compared to the prior year.

We remain committed in returning the group to sustainable profits and continue to seek opportunities for profitable expansion, product standardisation and capacity upgrades to cater for such growth.

### DIRECTORS

The names of the directors of the Company in office at the date of this report and during the half-year are:

Colin Moran  
Michael Pixley  
Peter Chai  
Koji Yoshihara  
Reiichi Natori

### PRINCIPAL ACTIVITIES

During the financial half-year, the principal continuing activities of the consolidated entity consisted of:

- Production and distribution of bottled water and accessories and the rental of water coolers
- Market a broad range of plastic products

### REVIEW AND RESULTS OF OPERATIONS

Eneco is pleased to provide a review for the first half ending December 2024. Eneco continues to manufacture at 6 bottled water factories across Australia, supply spring water from a licensed property in the Northern Territory and distribute plastic toys and hardware from Victoria.

Revenue by Cash Generating Units (CGU) compared to the same period last year are as follows:

<u>Cash Generating Units</u>	<u>Revenue</u>		<u>Variance</u>
	<u>July – Dec 24</u>	<u>July – Dec 23</u>	
	<i>\$'000</i>	<i>\$'000</i>	
Western Australia (WA)	2,498	2,311	8%
New South Wales (NSW)	1,687	1,688	0%
Victoria (VIC)	1,064	960	11%
Northern Territory (NT)	40	38	5%
Queensland (QLD)	<u>1,708</u>	<u>1,444</u>	18%
<b>Refresh Waters</b>	6,997	6,441	9%
<b>Refresh Plastics</b>	<u>1,454</u>	<u>1,367</u>	6%
<b>Total</b>	<b><u>8,451</u></b>	<b><u>7,808</u></b>	8%

Group revenue grew by 8% compared to the same period prior year. All states reflected growth for the half year, except for New South Wales, which remained almost static with a \$1,000 reduction in sales.

## **Refresh Waters**

As expected, the water business has reflected strong growth in sales throughout Q2 on the back of increased summer demand.

December saw a record revenue month for the total business and our Sydney, Brisbane, Toowoomba and Kalgoorlie branches all set new monthly revenue records in Q2.

All branches, aside from VIC, have posted an operational profit in the first 6 months of the financial year.

The costs associated with the relocation of the VIC branch, following the major fire event last year, as well as the continued high inflation have impacted the bottom-line result. The losses from this branch have been drastically reduced in FY25 however the focus remains on improvement of the financial performance to bring in line with the other sites.

The Board remains focused on delivering a profitable result to the market and is determined to seek additional ways to deliver this through potential acquisitions and production capacity improvements.

## **Refresh Plastics**

The plastics business achieved a 6% sales growth compared to the same period last year. Under our new outsourced model, we are pleased to advise that our plastics business has delivered 6 consecutive months of profit in the first half of this financial year. The team have delivered on the plan, and we are delighted to have turned this business performance around after many difficult years and the devastating fire in 2023.

**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE MEMBERS OF  
ENECO REFRESH LIMITED**

**Report on the Half-Year Financial Report**

**Conclusion**

We have reviewed the half-year financial report of Eneco Refresh Limited ("the Company") and its controlled entities (collectively, "the Group"), which comprises the consolidated statement of financial position as at 31 December 2024, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, condensed notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Eneco Refresh Limited does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

**Basis for Conclusion**

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* has been given to the directors of the Group on 25 February 2025.

**Responsibility of the Directors for the Financial Report**

The directors of Eneco Refresh Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility for the Review of the Financial Report***

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
