The directors present their report, together with the financial statements, on the consolidated entity (referred to hereafter as the 'consolidated entity') consisting of A1 Investments & Resources Ltd (referred to hereafter as the 'Company' or 'parent entity') and the entities it controlled at the end of, or during, the half-year ended 31 December 2023.

Directors

The following persons were directors of A1 Investments & Resources Ltd during the whole of the financial half-year and up to the date of this report, unless otherwise stated:

Charlie Nakamura
Peter Ashcroft
Akira Sunaga
Greg Poole (appointed on 10 November 2023)

Principal activities

The principal activities of the consolidated entity during the financial half-year were those of an investment company focusing on projects with operations in Australia and Japan.

Dividends

There were no dividends paid, recommended or declared during the current or previous financial half-year.

Review of operations

The loss for the consolidated entity after providing for income tax amounted to \$98,132 (31 December 2022: loss of \$311,226).

In the year to 30 June 2023, the Company substantially ceased to undertake the sea cucumber business and in the 6 months to 31 December 2023 fully ceased this business. In the 6 months to 31 December 2023, the consolidated entity examined numerous new business opportunities, but no agreements were entered into.

The Company does not need to remind its shareholders of the hardships of the three previous financial years and the 6 months to 31 December 2023. The coronavirus has had a significant impact on the Company's operations over the past 3 and a half years to 31 December 2023. The Japanese domestic consumer economy remained stagnant throughout this period. No post Olympics recovery took place in Japan. Japan remained the primary market for the consolidated entities products.

The consolidated entity has throughout the first and second quarters of financial year to 30 June 2024 examined other associated and non-associated business opportunities.

Bundybunna

In the annual report to 30 June 2023, the Company advised that no agreement had been reached with the Bundybunna Aboriginal Corporation Limited in respect to the settlement of a lease and the Company assessed the prospect of settlement of the lease was unlikely. Nothing further took place in the 6 months to 31 December 2023 despite numerous efforts of the Company. The Company has determined to take no further action on this matter.

New funding

The Company was throughout the 6 months to 31 December 2023 sought to raise further funds, but no further funds have been raised.

Immediate future

The consolidated entity anticipates 2023-24 to be no less challenging than the last three and half years have proved to be. The consolidated entity is however, examining other opportunities that are less dependent on a worldwide production and a sales scheme that is vulnerable to separate problems of supply and demand in various countries.

The consolidated entity recognises that these accounts are being signed in February 2025 and the parent entity remains a suspended listed company.

The consolidated entity will keep shareholders and investors apprised of all future developments and new projects.

Significant changes in the state of affairs

There were no significant changes in the state of affairs of the consolidated entity during the financial half-year.

Matters subsequent to the end of the financial half-year

The Company has been endeavouring to raise further funds and seek and acquisition of a business that would permit the Company to be re-listed from 31 December 2023 to the date of this report. The Company acknowledges that:

- any such new business would require ASX to confirm it had no objection to the Company undertaking such business and being listed,
- any new business will require the Company to undertake a re-compliance prospectus,
- the ASX will require the Company to be a 100% owner of such business and to carry on such business into the future.

Investment proposal

In the quarters to 31 March 2024, 30 June 2024, 30 September 2024 and 31 December 2024 the consolidated entity has primarily pursued two separate new business opportunities. In both matters, the Company proposed to acquire 100% of an existing business and to thereafter raise sufficient working capital for the ongoing business of the acquisition.

Subsequent to the quarter to 31 December 2024 and the signing of this report the consolidated entity has pursued a further acquisition.

The Company notes that to pursue any of these matters further the consolidated entity will require ASX consent and a full re-compliance prospectus. Any new proposal will also remain subject to the approval by the Company's shareholders, ASIC and the ASX.

As at the date of this report, neither of the above referred to proposals or the subsequent proposal has reached final terms for the consideration of the Board and thereafter the ASX. The Company reasonably expects one of these proposals finalised in the next 4 to 6 weeks and to thereafter make a submission to the ASX seeking its consent to the Company proceeding with such proposal.

Loans

The consolidated entity has secured short and medium-term funding of \$300,000 as set out in Appendix 4C for the quarter to 31 December 2024. The Company is continuing to seek further working capital and will keep the shareholders apprised of any future developments.

No other matter or circumstance has arisen since 31 December 2023 that has significantly affected, or may significantly affect the consolidated entity's operations, the results of those operations, or the consolidated entity's state of affairs in future financial years.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 4.

This report is made in accordance with a resolution of directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

Note 1. General information

The financial statements cover A1 Investments & Resources Ltd as a consolidated entity consisting of A1 Investments & Resources Ltd (the 'Company') and the entities it controlled at the end of, or during, the half-year. The financial statements are presented in Australian dollars, which is A1 Investments & Resources Ltd's functional and presentation currency.

A1 Investments & Resources Ltd is a listed public company limited by shares but currently suspended, incorporated and domiciled in Australia. Its registered office and principal place of business is:

Ground floor, 465 Victoria Street
Chatswood NSW 2067

A description of the nature of the consolidated entity's operations and its principal activities are included in the directors' report, which is not part of the financial statements.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 25 February 2025.

Note 2. Material accounting policies

Basis of preparation

These general purpose financial statements for the interim half-year reporting period ended 31 December 2023 are condensed financial statements that have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the consolidated entity during the financial half-year ended 31 December 2023 and are not expected to have a significant impact for the full financial year ending 30 June 2024.

Any new, revised or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Going concern

The financial report has been prepared on the going concern basis, which contemplates continuity of normal business activities and realisation of assets and the settlement of liabilities in the ordinary course of business. The going concern of the consolidated entity is dependent upon it maintaining sufficient funds for its operations and commitments.

The consolidated entity had a negative working capital as at 31 December 2023 where current liabilities exceed current assets by \$286,422 (30 June 2023: negative working capital of \$189,314), a deficiency of net assets of \$300,706 (30 June 2023: deficiency of \$202,574). In addition, the consolidated entity made a loss after tax of \$98,132 (2022: loss after tax of \$311,226) during the period and generated net operating cash outflows of \$35,344 (2022: cash outflows of \$343,634). The cash balance as at 31 December 2023 was \$14,327 (30 June 2023: \$49,671).

The directors recognise that strict cash control remains essential to ensure that the consolidated entity is able to continue to meet its debts as and when they fall due. The directors also recognise the on-going cash requirements of the consolidated entity. The consolidated entity has ceased the sea cucumber business in the quarter to 30 June 2023 and any further business associated with such business in the 6 months to 31 December 2023.

The consolidated entity's major cash requirements for the 6 months to 30 June 2025 are the examination and due diligence inquiries into any proposed acquisition and the legal and accounting costs to be incurred in preparing for an investment into such acquisition. As at 31 December 2024, the consolidated entity had not specifically identified any target acquisition.

The Board is continuing to seek funding for any proposed investment to supplement the consolidated entity's working capital. The proposed funding is likely to be dependent on shareholders' approval and a share re-constitution.

Note 2. Material accounting policies (continued)

Subsequent to the half-year ended 31 December 2023 and to the date of this report, the Company has been endeavouring to raise further funds and seek and acquisition of a business that would permit the consolidated entity to be re-listed.

In the quarters to 31 March 2024, 30 June 2024, 30 September 2024 and 31 December 2024 the consolidated entity has primarily pursued two separate new business opportunities. In both matters the Company proposed to acquire 100% of an existing business and to thereafter raise sufficient working capital for the ongoing business of the acquisition.

Subsequent to the quarter to 31 December 2024 and the signing of this report the consolidated entity has pursued a further acquisition.

The consolidated entity notes that to pursue any of these matters further the consolidated entity will require ASX consent and a full re-compliance prospectus. Any new proposal will also remain subject to the approval by the Company's shareholders, ASIC and the ASX. As at end of the quarter to 31 December 2024, neither of the above referred to proposals or the subsequent proposal has reached final terms for the consideration of the Board and thereafter the ASX. The Company reasonably expects one of these proposals finalised in the next 4 to 6 weeks and to thereafter make a submission to the ASX seeking its consent to the Company proceeding with such proposal.

The consolidated entity has secured short and medium term funding of \$300,000 as set out in Appendix 4C for the quarter to 31 December 2024. The consolidated entity's major cash requirements for the 6 months to 30 June 2025 are the seeking and obtaining ASX consent to an acquisition and due diligence inquiries into any proposed acquisition and the legal and accounting costs to be incurred in preparing for the ownership into such acquisition. As at 31 January 2025, the consolidated entity has not identified a target acquisition.

The consolidated entity has a reasonable expectation of funding of \$500,000 to complete the proposed investment and to commence a retail fund raising which the consolidated entity also expects to reasonably achieve to supplement the consolidated entity's working capital. The proposed funding will be dependent on shareholders' approval and a share re-construction.

The financial statements have therefore been prepared on a going concern basis. Accordingly, the financial statements have not been prepared including any adjustments relating to recoverability and re-classification of recorded assets or to the amounts and classifications of liabilities that might be necessary if the consolidated entity should not continue as a going concern.

Note 3. Operating segments

Identification of reportable operating segments

The consolidated entity is organised into one operating segment:

- General investment

During the financial half-year ended 31 December 2022, the consolidated entity was organised into two operating segments:

- General investment; and
- Food products and supplements.

These operating segments are based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Maker ('CODM')) in assessing performance and in determining the allocation of resources. There is no aggregation of operating segments.

The accounting policies adopted for internal reporting to the CODM are consistent with those adopted in the financial statements.

The information reported to the CODM is on a monthly basis.

Types of products and services

The principal products and services of each of these operating segments are as follows:

General investment	investment operations focusing on diversified investment portfolios
Food products and supplements	the sale of dried seafood products and supplements

Subsequent to the quarter to 31 December 2024 and the signing of this report the consolidated entity has pursued a further acquisition.

The Company notes that to pursue any of these matters further the consolidated entity will require ASX consent and a full re-compliance prospectus. Any new proposal will also remain subject to the approval by the Company's shareholders, ASIC and the ASX.

As at the date of this report, neither of the above referred to proposals or the subsequent proposal has reached final terms for the consideration of the Board and thereafter the ASX. **INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF
A1 INVESTMENTS & RESOURCES LIMITED (ABN 44 109 330 949)**

Conclusion

We have reviewed the half-year financial report of A1 Investments & Resources Limited (the Company) and its controlled entities (the Group), which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year then ended, and notes to the financial statements, including material accounting policy information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our review of the half-year financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Material Uncertainty Related to Going Concern

We draw attention to Note 2 in the financial report, which indicates that the Group incurred a net loss of \$98,132 during the half-year ended 31 December 2023 and as of that date, the group's total liabilities exceeded its total assets by \$300,706. As stated in Note 2, these events or conditions, along with other matters as set forth in Note 2, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

A1 INVESTMENTS & RESOURCES LIMITED (ABN 44 109 330 949)**

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
