ASX Announcement

\$25.3 million Latin American contract

- \$25.3m contract from a defence end customer in a Latin America (LATAM) country
- Delivery and payment is expected through calendar Q4 2025 and Q1 2026

DroneShield Limited (ASX:DRO) (DroneShield or the Company) is pleased to announce it has received a \$25.3 million contract from a privately owned in-country reseller that is contractually required to distribute the products to a Government defence end customer in a LATAM country.

DroneShield expects to deliver all equipment throughout Q4 2025 and Q1 2026, with cash payment expected in Q4 2025 and Q1 2026. No additional material conditions need to be satisfied. DroneShield has previously received 7 standalone orders from this reseller between March 2019 and July 2025, totalling approximately \$2.9 million.

DroneShield confirms that:

- it does not consider the identity of the counterparty/customer to be information that a reasonable person would expect to have a material effect on the price or value of the DroneShield's securities; and
- The announcement contains all material information relevant to assessing the impact of the contract on the price or value of the DroneShield's securities and is not misleading by omission.

Oleg Vornik, DroneShield CEO, commented: "With this new contract, DroneShield continues to position itself as one of the preferred C-UAS systems in Latin America. As demand continues to evolve, DroneShield is ready to meet the requirements from a region where drones play a key role in the modern warfare".

This announcement has been approved for release to the ASX by the Board.
