MEGAPOST SUCCESSFULLY COMPLETES A\$200 MILLION INSTITUTIONAL PLACEMENT

Brisbane, AUSTRALIA, Megaport Limited (**Megaport** or **Company**) (ASX:MP1) is pleased to announce the successful completion of its A\$200 million fully underwritten institutional placement announced on Tuesday, 11 November 2025 (**Placement**). Proceeds raised under the Placement will contribute to funding Megaport's acquisition of Latitude.sh, and the accelerated India network land and expand.

Approximately 14.0 million new fully paid ordinary shares (**New Shares**) will be issued at a price of A\$14.30 per share (the **Placement Price**), which represents a 6.5% discount to Megaport's last close price of A\$15.30 on Monday, 10 November 2025.

The Placement was strongly supported by both Megaport's existing shareholders and new investors, which saw bids received for substantially more than the Placement amount.

All eligible institutional shareholders who bid for an amount less than or equal to their 'pro rata' share of New Shares under the Placement were allocated their full bid¹, on a best endeavours basis.

Megaport's CEO Michael Reid said: *"We're very pleased with the support received from existing and new investors for this Placement as Megaport takes the logical next step in its evolution. The acquisition of Latitude.sh and the accelerated network expansion in India creates the automated global software platform where networks and compute converge to connect critical workloads. We are optimally positioned to scale and grow at the heart of the hybrid cloud and AI-driven future – Let's Go!"*

Megaport is expected to resume trading on the ASX prior to market opening today.

Settlement of the new Placement shares is expected to occur on Friday, 14 November 2025, with allotment and normal trading of those shares to commence on Monday, 17 November 2025. The new Placement shares issued will rank equally with all existing fully paid ordinary shares on issue.

The Placement was undertaken within Megaport's existing placement capacity under ASX Listing Rule 7.1 and accordingly shareholder approval was not required.

Further information can be found in the "Equity Raising Announcement" and "Equity Raising Presentation" released to ASX on 11 November 2025.

Megaport will also offer eligible Australian and New Zealand shareholders² the opportunity to participate in a non-underwritten Share Purchase Plan (**SPP**), targeting to raise up to A\$20 million.

Any funds raised under the SPP will be used for general corporate and working capital purposes.

Under the SPP, eligible shareholders will be entitled to subscribe for up to A\$30,000 worth of New Shares (the **SPP Shares**), free of transaction and brokerage costs and subject to scale back in accordance with the policy set out in the SPP offer booklet.
